Some Half Baked Ideal Called Wonderful
Catatonia
(Way Beyond Blue)

La la la la La la la la
Mickey wishes he was dead, draws the sheet across his
head
Never felt so alive
Moved him in to share the bed, turns out he's sharing
her instead
Was it all worthwhile?
Must have been funny, must have been dim - cut it up
and let it all in
Must have been funny, must have been dim - cut it up
and let it all in
Don't want you to go, just need you to know
Can't leave the house: he wouldn't dare, hang this
guilty frame with stares
Naked in a fray
I'll be the shortest person there, oh god I'm losing all
my hair
It won't suit my style
Must have been funny, must have been dim - cut it up
and let it all in
I don't want you to go, I just need you to know
I don't want you to go, I just need you to know
Do do do Aa-aa-aa-aa-ah
She gave me nothing that I could bear to lose Aa-aa-aa-
aa-aa-ah
And if he reaches for the door, be sure he'll touch the
wood and pause
Ask me back for more
We'll still shove us down the stairs, still get in each
other's hair
If there's any left then
Must have been funny, must have been dim - cut it up
and let it all in
I don't want you to go, I just need you to know
I don't want you to go, I just need you to know
Did you want him to go? did you push him to go where
the ~~ girl lies
Where does the ~~ girl lie? why does she hide? why

does she hide . . ?
