"The Mother Of Misogyny"

Did you find that some Autumn day
Your life was in disarray?
Forlorn for good
Did you do what your
Parents done?
Find some mad equilibrium...
Now I can say honestly
You're a masculine travesty
For-warned is for-armed
Your purple patch came and went
All those love letters never sent...

He was the mother of
Mother of, mother of
M-i-s-o-g-y-n-y, Misogyny
Mother of, mother of
M-i-s-o-g-y-n-y, Misogyny...

You're so much a part of me
It's life's greatest tragedy
Unarmed and undone
Still you do what you always done
Find some mad equilibrium...

He was the mother of
Mother of, mother of
M-i-s-o-g-y-n-y, Misogyny
Mother of, mother of
M-i-s-o-g-y-n-y, Misogyny...
