Never meant you no harm  
Never meant you no harm, yea yea  
Never spun you no yarns  
Never spun you no yarn, yea yea

And she'll go yea, where he goes, yea  
We all go where nobody knows our name

If I step out of line  
I'll step out of line, yea yea  
Over land, over sea  
One step two to one is free, yea yea

And she'll go yea, where he goes yea  
We all go where nobody knows our name

And don't cry if crying means you're sorry  
Whatever the case, I always felt out of place  
As a matter of fact, I always felt like that around you  
I'm disinclined to toe the line  
Under your thumb where I've become unwanted

So pick your way down to the sea  
Pick your way to the sea, yea yea  
It's not the tide you gotta watch, it's me  
Not the tide you got, it's me, yea yea

And she'll go yea, where he'll yea  
We all go where nobody knows our name  
And she'll go yea, where he'll go yea  
We all go where nobody knows our name  
Where nobody knows our name  
Where nobody knows our name

(She'll go yea)  
Where nobody knows our name  
(She'll go yea)  
Where nobody knows our name  
(She'll go yea)  
(She'll go yea)  
Where he'll go yea  
(She'll go)

(She'll go yea)  
(She'll go)  
(She'll go yea)  
Where he'll go yea  
Where nobody knows our name  
Nobody knows
