Way beyond blue

While there's a show left to perform,
Smooth down your hair and put your makeup on.
You'll face another night in two.
So close your mind no-one will follow you.

There in eyes I see way beyond blue.
There in eyes I see way beyond blue.

Mi fyddai'n disgwyl am y se^r.
Gwir yw disgleirio blw? ? ? ? byth erioed. {help os
gwelwch chi'n dda!!} rinigol
? ? ? ? ? ar dy ge^m.
A twymder mwyn y gwirdeb bregus nes.

There in eyes I see way beyond blue...
There in eyes I see way beyond blue...

It's all so special... it's all so ordinary...
Way beyond blue...
It's all so special... it's all so ordinary...
Way beyond blue, what can I do?

Megus y galon foel ? ? ? ? ? ? ? ? ? ? ?
Sydd a bregus nef.
There in eyes I see way beyond blue...
There in eyes I see way beyond blue,
What can I do?
