Dry bed  
A million thoughts  
In my head  
And nothing left to be said  
And I feel like I'm betraying you  
But there's nothing left to betray  
And I'm not ready to make you stay  
When I'm only going to lose you anyway

I want you to taste me when you breathe  
To smell my scent on your sheets  
I want you to see me in your dreams  
I want you to miss me  
The way that I am missing you

I thought this might be the last time  
So lift my t-shirt  
And hope behind  
And one last time in your arms  
One last kiss and caress  
As I softly confess  
I would take on the world for you...

I want you to taste me when you breathe  
To smell my sweat on your sheets  
I want you to see me in your dreams  
I want you to miss me  
The way that I am missing you

Ohhhhhhhhhh, ohhhhhhhhhh  
And I was trying to hold on to you  
But why hold on to someone  
Who hurts me so  
And this is good-bye  
So, this is good-bye

I want you to miss me  
I want you to miss me  
I want you to miss me  
The way that I am missing you  
I want you to miss me  
Heyyyy yeah
