1 o'clock, I woke up late, still hung over from the night
before, wait
2 o'clock, I'm ready to leave, final check in the mirror,
I look like shit, haha
3 o'clock, I'm on my way, checking my pocket,
fuck, forgot my keys 4, 5, 6
7 o'clock, up in the gym uh~ workin on my guns
8 o'clock, I'm back home, drinking my protein
9, 10 o'clock, getting ready, looking good for the
ladies
11 o'clock, then I have some vodka to warm up for the
night
12 o'clock, I'm heading out the door to get drinking
and party again

Tick, Tick, Tack Watch da watch Say wa! Zero or 12 U
