Mune ni himeta ketsui ni yorikakatta atarashii kimi
Boku wa nani mo shiranaide soba ni iru you de inakute

Ushinatta ato de kidzuku nante osoi yo
Kioku no kanata e to kimi wo tebanashita

Hanaretemo yoake wa hikari wo tsurete kuru kara
Namida wo tokashite omoi tsutawaru made
Ikiisogu koto sae kimi no tame da to omotteta
Moshi sekai no ura hanaretemo todaenai kizuna kanjite

Tokei no hari modoshite hi ga ochiru ano heya no naka
Kuchibiru kara koboredasu kotoba kono te de tomeru

Kokoro wa shitteta kimi ga tabidatsu hi wo
Todokanai basho e to boku wa miokuru
