English Translation:

Kizuna(Bond)

No matter how much we consider the future  
No one can see the truth  
Something is blocking my blank mind  
It's just a mistake that I've been repeating

It's okay for my steps to continue, these hands have  
separated  
Walking away from where you continue to live  
Until I become worn out I keep prolonging it  
That time, that place, it will never disappear - this bond

In time that flows, I try not to lose anything  
Passing by, we collided - true emotion

Permeated my heart, into warm desires  
The miracle I requested came about by chance

Even when things couldn't stand still, amidst the pain  
I saw the light, because we were bound together  
It's okay if you lied, and it's okay to cry  
That time, that place, it will never disappear - this bond

It's okay for my steps to continue, these hands have  
separated  
Walking away from where you continue to live  
Until I become worn out I keep prolonging it  
That time, that place, it will never disappear - this bond
