Soshite mata ore wa tabidachi
Nokosareta no wa omoide-tachi
I remember kimi ga nokoshita message like this.
"If you look back, I won't forgive you."

Kono ashi wa mae ni susumu tame
Kono te wa nanika wo tsukamu tame
My eyes asu wa mienai kara
Kyou wa me wo tojite yume dake wo miru

Mae ni mukau kara to the top of the world.
Yakusoku no chi de I kneel to pray.

* She said, "never look back"
She said, "never look back"
She said, "never look back whatever you face."
She said, "never look back"
Sou furimukazu tsuyoku takaku
I gonna go my way.

Kimi wa inai itami wa nai

Never again, she said love again what sayÂ...
Never again, she said love again
It what is de break my heart
She saidÂ... what sayÂ...

She said, "never look back"
She said, "never look back"
She said, "never look back whatever you face."
She said, "never look back"
Sou kikoetara tsuyoku takaku
Sou keshite kireru koto wa nai
