Well I'm so sick and tired
Of being so sick and tired
And I'm so worn out from having this much rest
Ever since you went away
My hearts been laying up every day
And I think it's time for it to leave the nest

Chorus:

I'm gonna paint the town red
I'm gonna make a new start
I'm gonna make it a mission to break somebody heart
Just the way you broke mine
Yeah I think it's only right
That I get to do the breakin' this time

Well when you said goodbye
I'm surprised I didn't die
When my heart fell to pieces on the floor
I picked them up put them away
To save them for a rainy day
Oh and baby tonight it's gonna pour

(Chorus 2x)
