I can't tell you how I really feel  
Cause I'm not even sure I know  
I never really thought it'd come to here  
Where we'd have to finally let go  
All of the silly things  
We said while walkin' in the rain  
Don't matter much anymore  
I thought we would always stay  
Friends forever in some way  
But that's not the case for sure

Chorus:

I know you never see me cry  
But my heart keeps breakin' every time  
I look at you, you look away  
My mind tells me go  
My heart tells me stay  
And I know your better off If I'm gone  
But I'm hangin' on

I know that things will never be the same  
No matter how the story ends  
The thing that really causes the most pain  
Is that I lost my dearest friend  
I know our paths were meant to cross  
For what reason I'm at a loss  
But this much I know is true  
If there is anything you ever need  
You can always count on me  
For anything I can do

(Chorus)

Hangin On  
Hangin On

(Chorus)
