Your always racing through my brain
At full speed just like a fast train
Running off it's tracks
Constantly drivin' me crazy
Even Superman can't save me
From your loves attack
And I know your hell on wheels
But I like how danger feels

Chorus:

I've known it from the start
Your gonna rip me up and tear me apart
I've tried to resist
The power of your kiss
But I don't get very far
Stop being reckless with my heart
Oh baby don't be so reckless with my heart

I've tried everything to mention
But you keep stealing my attention
Like a house on fire
I know I'll be headed for doom
If you don't let up on me soon
Cause baby I couldn't get much higher
I'm probably asking for heartbreak
But baby that's a chance I'm willing to take

(Chorus)

I'm feeling out of it but I can't complain
Cause if I'm crazy for loving you then baby I'm insane

(Chorus)
