You gotta dig deeper under the skin
dig deeper under the skin.
You gotta dig deeper under the skin
dig deeper under the skin.
The dog tooth check or the herringbone

The pin-stripe suit with the cheap cologne.
Oh
mirror shades or the old Clark Kent

The rolled umbrella of the city gent.
It ain't such a bad thing to look under the skin
You gotta dig deeper under the skin
...
Five o'clock shadow or the shaven face

Kipper tie with the bib and brace.
Oh
pearly whites or the gold tooth smile

The pointy shoes winklepicker style.
Ain't such a bad thing to look under the skin.
You gotta dig deeper under the skin
...
The pork pie hat with the leather crust
the cat that fits but only just

Off the peg - off the rack
tailor made from front to back
It ain't such a bad thing to look under the skin.
You gotta dig deeper under the skin
dig deeper under the skin
..

It ain't such a bad thing to look under the skin.
You gotta dig deeper under the skin
dig deeper under the skin
...
You gotta dig deeper under the skin
dig deeper under the skin
...
