"As I Slither"

I can't believe it came to this
I live my life with no regrets
Stripped down from all my dignity
You took it all from me

I rise, every single time you lie
To me, I'll play that game of hate

As I slither, I slither down your spine, slither
I slither down your spine, slither
I slither down your spine, slither

I'll take all away
I'll take your life away
I'll take it all away

I can't believe it come to this
I live my life with no regrets
Stripped down from all my dignity
You took it all from me

I rise every single time you lie
To me, I play that game of hate

As I slither, I slither down your spine, slither
I slither down your spine, slither
I slither down your spine, slither

I'll take all away
I'll take your mind away

Don't try to comprehend me
Don't try to criticize me
Watch me as I slither, as I slither
Around your neck
