Elder god...listen to me!  
Satan... (the confrontations)  
I...the elder one...who speaks to YOU...  
Trying to get through to YOU...  
...Sent from the elder gods...to accomplish...and reveal  
to YOU...  
...Listen to my MAGIC! Hear the voices of FURY...  
ALIVE are the VOICES...Hear the ELDER yell in me...  
...Listen to our MAGICK! Hear my voices of FURY...  
Hear your VOICES cry into ME...  
Satan...go back! From...beyond...  
Satan...go back! From which you eternally lie...  
...Listen to my MAGIC! Hear the voices of FURY...

ALIVE are the VOICES...Hear the ELDER yell in me...  
...Listen to our MAGICK! Hear my voices of FURY...  
Hear your VOICES cry into ME...  
Satan...go back! From...beyond...  
Satan...go back! From which you eternally lie...  
Forever...  
...Listen to YOU!  
THE RESURRECTED PORTAL OF HEAVEN  
(TRILOGY)
