"It Turns To Rust"

Fear with a touch of sin
Death to resurrect
Pain to inflict the world
Just let it grow

To let your blood flow
To feed your dying soul
I'll bring you to this war
I'll bring you to your door

All compassion fails
Your heart is just as stale
Everything you touch turns to rust

All compassion fails
Your heart is just as stale
Everything you touch turns to rust

It turns to rust
(It turns to rust)

Hate in the darkest place
Faith it dies with me
Wrath to save your soul
Just let it grow

To let your blood flow
To feed your dying soul
I'll bring you to this war
I'll bring you to your door

All compassion fails
Your heart is just as stale
Everything you touch turns to rust

All compassion fails
Your heart is just as stale
Everything you touch turns to rust

It turns to rust
(It turns to rust)
Yeah, it just turns to rust

I don't care about your pain and your grief
It's all about your greed
For every single thing
(Thing)
For every single moment
(Moment)
You took from me
(You took from me)
