These walls are closing in,  
they're bound to suffocate me  
Compare to live my life in ways  
I could never imagine

Can you save the dying eyes?  
Sentenced to never be free I stand convicted  
of all your fucking lies

Darkness fills my eyes,  
of things  
that could never see the light  
The damage  
is irreversible..  
outrageous...

You'll never know  
what you did to me

Until I take my last breath...  
I'll take you to hell with me!

You'll never know  
what you did to me  
Until I take my last breath...  
I'll take you to hell with me!

You want your chaos?  
I'll give your war  
Locked inside myself  
I'll always blame it on you

Darkness fills my eyes,  
of things  
that could never see the light  
The damage  
is irreversible..  
outrageous...
