(Chapter 3 - Reborn Through Death)

Marching corpse to rise, I must fulfill my new destiny,  
crawlwalking =

from my suicide.

As I penetrate the exit of my home, my mother had a  
nervous =

breakdown and fell into a coma.

Outside my domain, I discover, that my dreaming  
abilities were my =

undead powers.

Casting a spell of no return, at the forgotten Isle, where  
lies the =

forbidden shrine.

Out of my tornado field near the sacred shrine, I climb  
the steps of =

knowledge.

Each step inflicts me terrible pain, decomposition of  
my soul as my =

innard organs rot away.

Flesh falling part by part, dematerialization.

In front of the pedestal, I open the golden book and  
some of my =

fingers fall off.

A bright radiance illuminated from the book, this gleam  
dissolves my =

eyes.

The pus flows on my cheeks, at this moment a voice  
says...

=B3What are thine purpose?=B2, as I answer one of  
my arms breaks into =  
pieces.

=B3I am here...I want to repent myself, from my will of  
death=B2

=B3Art thou sure?=B2....YES!, then read aloud what is  
written.

I can=B9t, my eyes...I must concentrate...I see the  
chant of life, the =

mantra to reborn

Ahm...Mu...Hum...Cah...

VERAMOCOR!

Ahm...Mu...Hum...Cah...

Now I can hear thousands of lamenting damians  
around the sacred =  
shrine.  
Waiting for my soul to fall, my body cracks in two.  
I keep my faith =8Ctill the end of the beginning.  
As my torso of vomiting worms dies.  
My brain explodes...my body is thrown in...  
I=B9m alive...free to REBORN!
