Corruption

A poisoned apple that feeds your loss

Weaken

Reality is the greatest curse

Welcome to this

Ensuring soft will

I tried so hard

Through the impossible

Clenching my fists

This fight will never end

Nation rise

Taking the world by storm

Overcome the pain

Overcome, overcome

Take away the fear

Break away, break away

Kill the voice inside

Kill the light, kill the light

Destruction

Words of wisdom played upon

Repent

[Incomprehensible] you reach the sun

Welcome to this

Ensuring soft will

I tried so hard

Through the impossible

Clenching my fists

This fight will never end

Nation rise

Taking the world by storm

Overcome the pain

Overcome, overcome

Take away the fear

Break away, break away

Kill the voice inside

Kill the light, kill the light

Walk through fields of war
Face the spineless one
I give my life, spirit aside
I will conquer this life

I will conquer this life
I will conquer this life
I will conquer this life
I will conquer this life
