## "To The Throne Of Sorrow"

Chaos, disorder  
Mathematics of our creation  
Mistakes bring deceit  
Acknowledgment of our demise

Transcend the strength  
Future messenger of all that's dead  
Quench a blind man's thirst  
The list of curse reversed

Enter this glorious path  
In full shocking effect  
All along this deadly river  
Flowing through these veins

Worlds twist into convulsion  
Suffocating myth arise  
Shocked beliefs of slaves embedded  
Reborn fear in man created

Onwards to the throne of sorrow  
Bow down to the gods of war  
Set forth to the throne of sorrow  
Eradication, manipulation

Onwards to the throne of sorrow  
Bow down to the gods of war  
Set forth to the throne of sorrow  
Eradication, manipulation

Hurricanes of contradictions  
Whirlwinds of dissolution

The waves come crashing down  
Will you live or will you drown?  
Drown in a taste of your miserable life

Set the hell hounds loose  
Bring me the cold and stale heart  
Of the ones taking me apart, apart

Worlds twist into convulsion

Suffocating myth arise  
Shocked beliefs of slaves embedded  
Reborn fear in man created

Onwards to the throne of sorrow  
Bow down to the gods of war  
Set forth to the throne of sorrow  
Eradication, manipulation

Onwards to the throne of sorrow  
Bow down to the gods of war  
Set forth to the throne of sorrow  
Eradication, manipulation

Hurricanes of contradictions  
Whirlwinds of dissolution
