"Under The Bleeding Sun"

Contemplate the great one
Bring me the resistance
Question your existence
Forever is the distance

Faith is burning, the road to your sanity
To find your pray, the pray to your strength
Be the one to change, knowledge is the way

The choice is relentless, the outcome venomous
We are the bastard sons...unwanted from god
Abandoned under the bleedind sun

The sins, the hate, the pain
The love, the trust, left to rust

The choice is relentless, the outcome venomous
We are the bastard sons. Unwanted from god
Faith is burning, the road to your sanity

Contemplate the great one
Abandoned under the bleeding sun
Question your existence
Bring me the resistance
Forever is the distance

Be the one to change, knowledge is the way

To find your pray, the pray to your strength
Turn around...your disgrace...
Face the frontliness
Your faith belongs to victims...
There is no test of faith
Your fear as your death
