Our souls carved in stone
Withstand the test of time
Testify the ancient ways
When all good will turn bad
Thy angels will fall

Invade the putrid masses
Intelligence to stupidity
Increase the pressure within
No return from isolation
No chance to recuperate
We are lost in deceit

Years of enlightenment
For decades in darkness
We drown in time
Behold the signs

Years of enlightenment
For decades in darkness
We drown in time
Behold the signs

The storm arrives, we pray to die
Forgotten and betrayed
Life comes in full circle
You can't escape what is meant to be
Without proving your true identity

Invade the putrid masses
Intelligence to stupidity
Increase the pressure within
No return from isolation
No chance to recuperate
We are lost in deceit

Years of enlightenment
For decades in darkness
We drown in time
Behold the signs

Years of enlightenment

For decades in darkness
We drown in time
Behold the signs
