He's a fool and don't I know it
But a fool can have his charms
I'm in love and don't I show it
Like a babe in arms
I'm wild but not impatient
Men were not a new sensation
Couldn't sleep, and wouldn't sleep
When love told me I shouldn't sleep
Loving and hugging you know it
I'm in love and don't I show it
Like a babe in arms

I'm wild again, beguiled again
A simpering, whimpering child again
Bewitched, bothered, and bewildered am I

My heart was lost, I paid the cost
Cold from the start he played the part
I must agree the laugh's on me
But he and I we were meant to be
Anticipating, loving, hating, waiting
What am I to do
Bewildered and bewitched
'Cause I'm so bothered over you

I'm wild again, beguiled again

A simpering, whimpering child again
Bewitched, bothered, and bewildered am I

Just the same old sad sensation
That's the way love feels
And this half-pint imitation
Has my head over my heels
Wishin' and missin' your kissin'
What am I to think
Bothered and bewildered
I can't sleep a wink

I'm wild again, beguiled again
A simpering, whimpering child again

Bewitched, bothered, and bewildered am I

My heart was lost I paid the cost
Cold from the start
I've seen a lot, I mean a lot
But I like sweet seventeen a lot
Bewitched, bothered, and bewildered am I
I'm wild but not impatient
Men are not a new sensation
Lovin' and huggin' you know it
I'm in love and don't I show it
