If I was your lover, baby  
Would you want me to be true  
And tell you there's no other, baby  
There's only me and you

And now, we're all alone  
There's something I want you to know  
You'll be my future  
I'll be your past  
Catch me I think that I'm falling too fast  
I'll be your first love  
You'll be my last

If you really wanna know me, baby  
Look deep into my eyes  
I really gotta show you, baby  
My feelings deep inside  
(Cuz the moment seems right)

And now, we're all alone  
There's something I want you to know

You'll be my future  
I'll be your past  
Catch me I think that I'm falling too fast  
I'll be your first love  
You'll be my last  
You'll be my first love  
I'll be your last

And now, we're all alone  
There's something I want you to know  
You'll be my future  
I'll be your past  
Catch me I think that I'm falling too fast  
I'll be your first love  
You'll be my last  
You'll be my first love  
I'll be your last  
I'll be your first love  
You'll be my last
