The Endless agony of tortured souls, are reclaiming for their absolute dehumanized and terrorized rights.

The suffering and the misery are possessed by the affliction,
Condemned Souls are locked up in Purgatory
without acquisition of a perpetual instant of tranquility.

Undying pain is killing the favorable expectations
Almighty uproars of desperation, convicted to distress
The Damnation is now Dictated, A guiltiness verdict
Punished to endure the anguish everlastingly.

Souls dismembered from the corpses are exclaiming
salvation
Drifting in the harmfully environment, demanding
purification

Spirits wandering on the deepest agony,
a hopeless terror era,
and culpability instill they proof their yearning
innocence.

Relentlessly poltergeist appearances
increasing the fear over churchgoers,
Lost souls are hunting the stillness of shadowed
territories.
Undying pain and incessant, Endless suffering!!

Eternally hanged in pain, tortured and tormented
through the unforgotten remorse
Sentenced for an unholy judgment which has
established
a fatal and timeless punishment.

Incessant soreness are slowly fading out

completely their hopes
Souls are entreating discomforted, Endless suffering!!

Inexplicable Extinction
No probes are invested to declare the ghastly

slaughtering
The victims are petrified into an uncertain fearness

Undoubted dread is invading the abominable mass
execution
Inexplicable human extinctions,
Mortal remains are appearing on the blood-spattered
soil
Tortured and assassinated.

Incomprehensible disappearance of uninformed
population
Survivors are emerging from unmerciful and overall
exterminations.
The traumatic scenes of a Massive Devastation
Is Perplexing circumstances of distressed commotions,
annihilation.

Humanity is traded for a inexplicable,
dreadful and revolting war
Immersing the terror over the earth
with commands of depredation

No!! No Explanations for those inexcusable
torturing operatives and perverting acts.
The barbarity of the supremacy is
drastically annihilating the human races.

Incomprehensible disappearance of uninformed
population
Survivors are emerging from unmerciful
exterminations.
