## "Supreme Authority"

Visit "[Supreme Authority](#)" on MotoLyrics.com

Unconsciously developing a vast fury  
for being constantly refused  
Denied into the superficial society

Traumatizing and repressed hatredness  
Deliberated through all the years of corruption  
Engendering new devastating brains

Under treating the overincredulous masses  
Living a continuously world of mediocrity  
Believing in a false testimony of promises  
where the laws are ruled by a supreme authority

Rivalry between the madness and purity  
betraying the anguish with countless abomination  
political preaching of subliminal supremacy  
overrule the terror over the populations

No more uncompleted desires  
Injustice punishments blasting behind the cells of  
bitterness  
No more ironic suicides  
Tormenting remorse into a cheating  
subconsciousness  
Rivalry between the madness and purity  
betraying the anguish with countless abomination  
political preaching of subliminal supremacy  
overrule the terror over the populations

Puppets of war, Pigs of The world  
Protecting the faith of Corruption  
There is no more justice for all  
Our voices are shat against the law  
Cheating our rights with  
Monopoly and Obliteration.

Under controlling the overincredulous masses  
Living a continuously world of mediocrity  
Believing in a false testimony of promises  
where the laws are ruled by a superficial society

Unconsciously developing a vast fury

for being constantly refused  
Denied into the supreme authority...!
