I try to make it right
But something's come our way
It's not what we do or say

There's something deep inside
That I can't control no more
This is not how it was before

Love is on the line
Pulling us so low
Running out of time
But now everything must go

Devil talks on my shoulder
And I wish I were stronger
But he whispers mean and light
And baby, seems like we don't dance tonight
But the devil can't be right

I try to love you more
But the voice keeps telling me
This is not what it used to be

What we had before
And all our yesterdays
Are gone in a million ways

Love is on the line
Pulling us so low
Running out of time
But now everything must go

Devil talks on my shoulder
And I wish I were stronger
But he whispers mean and light
And baby, seems like we don't dance tonight

This is no crying game
But real life

Devil talks on my shoulder

And I wish I were stronger
But he whispers mean and light
And baby, seems like we don't dance tonight

Devil talks on my shoulder
And I wish I were stronger
But he whispers mean and light
And baby, seems like we don't dance tonight
But the devil can't be right
