I can't do what you do
I'm just able, tear it down, yeah
Stay in a cold, minute sleep
Feel the world, right through the ether

Twisting names inside of me
Electric atmosphere to be
Must carry on one last time
Cannot end what has begun

In your eyes, in your eyes
You're alive
But in my eyes, in my eyes
You're a lie

You can't do what I do
I'm just able to ruin you, yeah
Stay you cold, ways of winter
See myself right through the ether

Twisting names inside of me
Electric atmosphere to be
Must carry on one last time
Cannot end what has begun

In your eyes, in your eyes
You're alive
But in my eyes, in my eyes
You're a lie

In my eyes, in my eyes
You're a lie
In my eyes, in my eyes
You're a lie
In my eyes, in my eyes
You're a lie
