I can't do what you do
I'm just able to treat it down yeah
Stay in a cold minute of sleep
See the world
Right through the ether
Twisting names inside of me
Electric atmosphere to be
Must carry on one last time
Cannot end what has begun
In your eyes
You're alive
But in my eyes
You're a lie
You can't do what I do
I'm just able to ruin you yeah
Stay in the cold ways of winter
See myself right through the ether
In my eyes
You're the lie
