The pledge  
I've forgotten this time  
I am so uncertain  
That my heart will go on  
My beloved one  
If you were here you'd find  
That I'm not feeling well  
But that will have to go on

Chorus:  
And though summer unwinds now  
I have no reason to follow  
I have only you  
My sun is pale

My heart's old

Why  
So quiet this new night  
There's a white cloud  
Under my eyelid  
My beloved one  
There is swirling dark  
Shrouding my freedom

Cold is the undertone  
Hold my hand  
I'm in the waiting line  
Mute I stand  
Barren ground

Chorus
