Beware the bottled thoughts of angry young men  
Secret compartments hide all of skeletons  
Little girl wants to make her home with him  
In the middle of the shore she wonders

Don't know what you asked for  
Don't know what you asked for

All young lovers know why  
Nightmares blind their mind's eye  
Your rube is young and handsome  
So new to your bedroom floor  
You know damn well where you'll go

I've loved so many times and I've drowned them all  
From the coral graves they rise up when darkness falls  
With their bones they'll scratch the window  
I hear them call

Don't know what you asked for  
Don't know what you asked for  
Don't know what you asked for

All young lovers know why  
Nightmares blind their mind's eye  
Your rube is young and handsome  
So new to your bedroom floor  
You know damn well where you'll go

Stay with me under these waves tonight  
Be free for once in your life tonight

Your rube is young and handsome  
So new to your bedroom floor  
You know damn well where you'll go  
All young lovers know why  
Nightmares blind their mind's eye

Your rube is young and handsome  
So new to your bedroom floor  
You know damn well where you'll go  
All young lovers know why

Nightmares blind their mind's eye

Your rube is young and handsome  
So new to your bedroom floor  
You know damn well where you'll go
