The sandman's given me a special gift,
a sleepy-dream memory of our first kiss,
cast a shadow in my direction,
cast a shadow in my direction,
bring back shadows of your affection,
cast a shadow in my direction, yeah...
If the sandman comes tonight I have a request,
a snap-shot dreamy keep-sick of your embrace,
cast a shadow in my direction,
cast a shadow in my direction,
bring back shadows of your affection,

cast a shadow in my direction.
Bring back shadows over here,
bring back shadows of your face,
we'll make shadow flays,
we'll dig shadow graves,
in my shady shadow cave.
Shadow grows longer in my twilight sleep,
I stopped-end to rememeber I'm just counting sheep,
cast a shadow in my direction,
cast a shadow in my direction,
cast a shadow in my direction,
cast a shadow in my direction.
