Gemstones crackin'
'Cuz we're just too strong
Drum-sized yearning'
'Cuz the pressures gone

Supervised love
Crucified studs
Simmering red
In the sex farm clubs

There's an exit
To this desert
Dingling freely
From the shingles in the snow

She's a show off
Xanax Zoloft
Blank faced footprints
Of the zebras in the glen

Cavemen humping
In the sterling space pod
Drumstick pumpkin
In the Starbucks courtyard

Gigolos dance
Stepping on toes
Benedryl nights
In the O K holes

There's an exit
To this desert
Dingling freely
From the shingles in the snow

She's a show off
Xanax Zoloft
Blank faced footprints
Of the zebras in the glen

Lets break into
The labrynth of lies

Let's dive off the
End of his eyes

Hollywood hills
Peppermint bills
I can still taste the grime
That you stuffed in my gills

Oh Johnny, can't you set
A place for Holly?
She's a wild one
She'll be staying for a spell

Till they find her
And they drag her
Down to Barcelona
Down to Barcelona

I'm a very funny boy
But I know what I just
Said, 'cha cha cha'

Dunkin' donuts
Give me dunkin' donuts
She's a very funny girl
But I love that crazy bitch alright
