Hey, things won't be strange any day now
They change everyday
Hey, things won't be bad all the time now
Stay bad all the time
But hey now, little lady this is a tragical sign,
it's a sign

Morning after midnight things don't ever go
right
Morning after midnight hey bye, bye
Not so sad to wake up but I took the bait up
Morning after midnight, what's going on,
yeah?

Hey, what's that sound?
Might get a glimpse of just what's going down
Oh, modern lover what's that noise?
Aah, it's just you Johnny, not one of your boys

We say hey, hey, things won't be strange any
day now
Hey, things won't be bad all the time now
Stay bad all the time
But hey, now little lady this is a tragical sign
It's a sign, it's a sign, it's a sign

Morning after midnight things don't ever go
right
Morning after midnight hey bye, bye
Not so sad to wake up but I took the bait up
Morning after midnight hey cha, cha, cha
