I feel lovely  
To live in a bachelors pad  
I feel lucky  
But its not my choice to feel bad  
Its not weary  
No matter how sad that I roll

Cause here by your side  
Im so pious and kind  
Oh i love your stadium soul

Ive been nervous  
I love you too much my dear  
Its not murder  
But thank you for waiting five years  
Whats so impressive  
its there is no doubt in my mind

Ill just say  
I get by with your way  
Oh its such a beautiful crime

Love you till Im ninety-nine

I have to be affected  
I had to be the schmuck  
Who tries to be smart  
I had to be obsessive  
In my compulsion  
In the effort of playing my part

So dont relax me  
Mr Gatsby  
And leave thy bachelors home

Cause  
Here by your side  
Im so pious and kind  
oh i love your stadium soul
