Tropical Island, oh  
Tropical island, oh  
Feel the sea breeze waiting  
To lay you down just like a diamond, oh

Courageous peufis by design  
Blankets filled with iodine  
Lover come again just fine  
Meet us in one day

Ring ding battering ram  
Full dissect the battle plan  
He who sells his percodines one day  
Tropical island, woah, woah, woah

When IÃ¢Ä™ m a sad sight, oh  
When IÃ¢Ä™ m just bagpipes, oh  
I want to make it known you  
Befriend me long after my twilight, oh

Whitest oceans often sigh  
Just enough to color it nice  
WhoÃ¢Ä™ s you're willing sacrifice  
Meet us in one day

Ring ding another one dies  
Watching posers scandalize  
Trading of their panty lines one day  
Tropical island, woah, woah, woah

Dreaming of a taxi which covers my dismay  
ItÃ¢Ä™ s in a tunnel, the sun discounts the rain  
For all those blow horns just crying where you are  
The light is out there, tears eclipse the sun is just too far

Whitest oceans often sigh  
Just enough to color it nice  
WhoÃ¢Ä™ s your willing sacrifice  
Meet us in one day

Ring ding another one dies

Watching posers scandalize  
Trading of their panty lines one day  
Tropical island, woah, woah, woah
