You know I want to bone you,
I want to make a hole in you,
I'm gonna get fat,
You know I get a hat for you too,
fuck fuck me baby,
now where have you gone,
I'm a little bit older,
I know what I want.

Holding you lady,
is running me down,
strumming the cages,
each town after town.

You hung the jury,
the children were tried,
\\"what do you want?\<"
she lived days inside,
with a piece of Bargain Home,
into my world,
wrapped in the kingdom,
each girl after girl,
white women!

One Texas hold 'em,
then she struck like a queer,
\\"what do you want?
I'll never hear\<"
In a notion ocean,
Daddy tropical song,
little piece of Bargain Home,
please don't get caught,
alright!

I'll never wait,
I'll never wait,
I'll never wait,
I'll never wait
