Well, I know I shouldn't care
But I do and I don't and I always crack a smile
When I see your punk rock clothes
And you try, try but you never fit in
And you're never going to pack it up
Pack it in, so there

Steve took three or four
Heather took more, lit a cigarette
Now they're walking out the door
With a semi automatic and a ski mask on
And they look to one another
And they say to themselves, "What fun"

Well, I never want to bother
And I never want to hover
Over his or her affairs 'cause that's not fair
And it seems to me that you're
Running out of time and it seems to me
Like you're never going to do, what's right

Jack dropped 21, Jill 22
The look in his eye said
"Brother what are you going to do
With a 9 millimeter and a three piece suit?"
They look to one another and say
"Hey motherfucker, who's the fool?"

Steve took three or four
Heather took more, lit a cigarette
Now they're walking out the door
With a semi automatic and a ski mask on
And they look to one another
And they say to themselves

Jack dropped 21, Jill 22
The look in his eye said
"Brother what are you going to do
With a 9 millimeter and a three piece suit?"
They look to one another and say
"Hey motherfucker, who's the fool?"
