Saw it on the television, heard it on the radio  
This in truth is not yet the end

Bus station, 4 a.m., took a taxi to the city, Matt Ball left  
Looking too familiar and I don't know how to feel  
Not a penny in my pocket, I'm a stranger  
Wanna get home, spare some change, sir? Wanna get  
back home

Wanna get back home, 40 miles across the Hudson  
Those train tracks, get back, can you smile?  
Here's another joke, have you got another smoke?  
I'm broke, sounds good, but I don't know, let's go

I don't know, but it sure sounds good to me  
I don't care because I still don't know  
The way it is, the way it was, the way it's supposed to  
be  
I don't know, but it sure sounds good to me, I heard  
this city never sleeps

I heard this city never sleeps, but its eyes are half-  
closed  
Not a passerby, baby cry, I suppose that I'm selfish  
Stuck and I don't give a fuck, twenty one, morning  
comes  
I've heard and had enough, I'm so sick of this

I have no friends, it hurts so much to be alone  
I wish this night would fucking end  
I close my eyes and dream of home

I don't know, but it sure sounds good to me  
I don't care because I still don't know  
The way it is, the way it was, the way it's supposed to  
be  
I don't know, but it sure sounds good to me, I heard  
this city never sleeps

I wish this night would fucking end  
I close my eyes and dream of home
