No right turn
No left turn
No return
It's my turn now

No right turn
No wrong turn
Now you've turn back and
I've turned around

Inside out and upside down
My feet can't seem to touch the ground
My feet can't seem to find the ground

I'm at that point now in my life
Where all I've said and all I've done
Doesn't seem to be enough
At least thats what she said

Hey get off my back
I'm living for the moment 'cause I'm thinking that's all
I've got
Hey get off my back
I'm living for the moment 'cause I'm thinking that's all I
have

This picture
I painted
Has faded long ago with age
As I lie here patiently
You never change
I turned the page
Inside out and upside down
My feet can't seem to touch the ground
My feet can't seem to find the ground

I'm at that point now in my life
Where all I've said and all I've done

Doesn't seem to be enough
At least that's what she said

Hey get off my back
I'm living for the moment 'cause I'm thinking that's all
I've got
Hey get off my back
I'm living for the moment 'cause I'm thinking that's all I
have

Hey...brand new day and I'm feelin' ok
Hey...Coolie Ranx and Catch 22
Got to back up from all these punks
See us everyday and they talk junk
She was the best that I've ever had
Now she's gone and I'm feelin' sad

Hey have you seen her
Tell me have you seen her

Hey get off my back
I'm livin' for the moment 'cause I'm thinking it's all I got
Hey get off my back
I'm livin' for the moment thinkin' it's all I have
