Sister sweet sister can you wash away my sins?  
Sister sweet sister can you make me pure again?  
Sister sweet sister can you take away my pain?  
Can you make me pure again?  
[ verse 1 ]  
Violated no respect for human life  
Stupid and senseless  
Random acts of violence  
Look into the eyes of a mother of a murdered child  
Is nothing truly pure?  
Not only did her child die  
So did a part of her  
[ chorus ]  
Innocence lost  
Hear the cleansing water run  
Screaming you're not dreaming  
Bad blood through and through  
Wicked from the womb  
[ verse 2 ]  
Persecuted just for the color of your skin  
Guilty of being white  
Reverse racism  
The only time we're equal is when we die  
Is nothing truly fair?  
The only things in life we are guaranteed  
Death and taxes the powers that be  
[ chorus ] [ solo ]  
[ verse 3 ]  
The visions faded it's the blind leading the blind  
Freedom's never free  
Where's the heaven that we seek  
Take a look around and tell me what you see  
Is nothing sacred? You tell me  
Open up your eyes and read between the lies  
The truth is still stuck in their teeth  
[ chorus ]
