Eagle, Come!

Let Your Wings Sing A Song, Guide The Last Comet.

Trees Are Living Again, The Saturn's Season

Herbs Are Flowing Down The Hands Of The Warrior

Constellation Of My Breaths, Because Here Is Great

Turning Point

And My Great Lonely Thought

Cloudy Coat Covered My Pride

With Stony Rain I Hammer Every Tear For My Fatherland

Aryan Eagle - Satisfy

Let Them Carry Through Milky Way - To The End of

Zenith.

Now On The Million Ways of Pre-Darkness.

Cosmic Key In Nine Candles Of Destiny

In Eternal Trance Of The Universe, I Praise The Slavonic

Gods

... My Last Words

... Substance Flows Down, And Inside Me Hot Eye's

Tattoo

... With Stencils Of Colours I Give Them Farewell!
