Whoooa, don't need to judge me  
Whoooa, retaliation.  
Whoooa, don't need to charge with the first offense  
yeah.  
Whoooa, retaliation.

I ain't got no enemies  
But if you diss me, i will retaliate  
I ain't got no enemies  
But if you diss me, i will retaliate  
I ain't got no enemies  
But if you diss me, i will retaliate  
I ain't got no enemies  
But if you diss me, diss me

Check one two, one two.  
Where there's smoke there's fire.  
(Nothing can stop the fire.)  
comin' straight to your livin' rooms, Bouncin' off your  
walls,  
Bouncin' off your car windows,  
Alright we gonna talk about something old and  
something new.

Whoooa, don't need to judge me  
Whoooa, retaliation.  
Whoooa, don't need to charge with the first offense  
yeah.  
Whoooa, retaliation.

I ain't got no enemies  
But if you diss me, i will retaliate  
I ain't got no enemies  
But if you diss me, i will retaliate  
I ain't got no enemies  
But if you diss me, i will retaliate  
I ain't got no enemies  
But if you diss me, diss me..

(Nothing can stop the fire)
