Our love gets sweeter everyday,
You turn my switches on every single way (every single way)
You got me tripping on your roots a-aye (yeee-hey)
I've got your love right here girl, you're my only remedy (only remedy)
No matter what the time of day, I'm gon stop what I'm doing,
I'll drop a track and head your way, I'll be there anytime

For you love I'm falling for you, And i hope you're falling too, Just take my heart, and Imma show you what we're gonna do

You got me saying "Ou-La, la-la la laaa yeeeh",
Ou-La, la-la la laaa yeeeh, It just gets sweeter everyday

(stay with me)
Now there's no need to search and find, Your love could stop my heart, It's like I've been drinking wine (or getting high)
The Colour of our well soon gonna shine (yee hey),
I'll be your lifetime love, no pressure take your time (take you time)
No matter what the time of day, I'm gon stop what I'm doing, I'll drop a track and head your way, I'll be there anytime

For your love, Im falling for you, And i hope you're falling too, Just take my heart and Imma show you what we're gonna do

You got me saying "Ou-La, la-la la laaa yeeeh",
Ou-La, la-la la laaa yeeeh, It just gets sweeter everyday

(Yee- hey) On your love, I'm falling for you, And i hope you're falling too, Just take my heart, and Imma show you what we're gonna do

You got me saying "Ou-La, la-la la laaa yeeeh",
Ou-La, la-la la laaa yeeeh, It just gets sweeter
everyday

You got my love everyway (everyday)
you got my love everyway
you got my love evryday
everyday, eveeerydaaaaaay everyday,
eveeerydaaaaaay everyday.

Thanks to J'baaaay (:
