What do you want from me? Oh here we go again  
Here we go again, here we go again  
Cause when you rang me up,... bare  
Now I said, no, no, no, no boy  
Cause nothing will happen  
No no, no, no I said enough

Oh boy I ain't gonna stay in tonight  
You're out of my head and...  
Cause now I'm chasing time, time, time, time  
Oh boy you know you gonna make it right  
And I'm gonna have to say goodbye  
Cause now I'm chasing time, time, time

Like a stormy sky, you brought me rainy days, your  
brought me rainy days  
Like a foolish girl, I couldn't stay away, I couldn't stay  
away  
I said, no, no, no, no boy  
Cause nothing will happen

No no, no, no I said enough

Oh boy I ain't gonna stay in tonight  
You're out of my head and...  
Cause now I'm chasing time, time, time, time  
Oh boy you know you gonna make it right  
And I'm gonna have to say goodbye  
Cause now I'm chasing time, time, time

And when I stop and think about  
How I gave the love to you  
And what a big mistake that was  
Baby now we're through

Oh boy I ain't gonna stay in tonight  
You're out of my head and...  
Cause now I'm chasing time, time, time, time  
Oh boy you know you gonna make it right  
And I'm gonna have to say goodbye  
Cause now I'm chasing time, time, time.
