I DON'T KNOW

(words and music Kate McGarrigle/Garden Court Music  
ASCAP)

Love...love is like a bullet in a gun  
Aimed at your heart  
Tears your heart apart  
You scream and you bleed  
Fall down to your knees  
Reaching for a hand  
But the hunter turns his back  
He hears his trumpet sound  
And the sun is going down

You ask me what it's all about  
I say I don't know  
Should you stay and work it out  
I say I don't think so  
Someone else will come along and  
Hold you close  
Someone's lost out in a storm  
And looking for safe-haven  
Light your lamp but hold it high  
Before you let the stranger in

You ask me what it's all about  
I say I don't know  
Should you stay and work it out  
Give it up! Let it go!

Love is like a bullet in a gun  
Aimed at your heart  
Tears your heart apart  
You scream and you bleed  
And reach out for a hand  
And fall down on your knees  
Man is truly the cruelest of beasts

You ask me what it's all about  
I say I don't know  
Should you stay and work it out

I say I don't think so  
Life is short and grief can tear a heart apart  
Life is short , life is sweet  
This much I know  
Should you stay and work it out  
I say I don't think so
