I used to break, break, break in a million pieces
Fall, fall, fall, fall into your reasons
Down, down, down is the only place you've ever pushed
me
I tried and tried just to make you see me

I let you inside, yeah, you thought you knew me
You talk, talk, talk but it goes right through me
'Cause I can't hear a word you say

All I hear is la, la, la, la, la, all I hear is la, la, la, la, la
You can scream and shout, it would bring it down
When you turn it up, I just tune you out
La, la, la, la, la, all I hear is la, la, la, la, la, ah, ahh

Yeah, at first it was almost perfect
You had me fooled, thought that you were worth it
It took a while but the truth it finally blew your cover
I never would have thought we'd turn out out like we
did

But baby, I'm so over it
And every time you think you're gonna get me
You can knock, knock, knock but there's no one here
'Cause I can't hear a word you say

All I hear is la, la, la, la, la, all I hear is la, la, la, la, la
You can scream and shout, it would bring it down
When you turn it up, I just tune you out
La, la, la, la, la, all I hear is la, la, la, la, la, ah, ahh

So here we go again, messin' with my head
Why can't you comprehend? Oh, oh, oh, oh
La, la, la, la, la, yeah, la, la, la, la, la, yeah
No, no, no

All I hear is la, la, la, la, la, all I hear is la, la, la, la, la
You can scream and shout, it would bring it down
When you turn it up, I just tune you out
La, la, la, la, la, all I hear is la, la, la, la, la, ah, ahh
