You fall apart and I run in from anywhere
Like cameras at an accident
Staring eyes I wonder why I care
Maybe I'll be frightened by the pain
But watch your tragedy again

Chorus

Cause you are broken and beautiful
And you're so damn cynical
But I'm drawn in by the darkness in your eyes
And it's beautiful
Broken and beautiful

Talkin you down from ledges to stay with me
I'll touch your sharpest edges
I'll be the one who holds your hand when you bleed
Falling off in pieces like you do
I would hand them back to you

Cause you are broken and beautiful
And you're so damn cynical
But I'm drawn in by the darkness in your eyes
And it's beautiful

My favourite mess like a magnet pulling me down until I
drown
Call me obsessed with your sadness but I don't want to
make it stop

Cause you are broken and beautiful
And you're so damn cynical
But I'm drawn in by the darkness in your eyes
And it's beautiful

Broken and beautiful
And you're not like usual
but I'm drawn in by the darkness in your eyes
And it's beautiful
Broken and beautiful
