here we are
with time standing still
can we make it last

now we'r on the edge
and that's how it feels
both of us are falling fest

chorous

it's in your eyes
all the reasons why
I could'nt walk away if I tried
these words can't be disguised
for all this time
i'v been waiting for the look
you giving me tonight
now i'm blinded by the love
that's in your eyes

what we have
is to good to miss
it's a connection
we can't ignore

now we come together
one moment lests forever
with just one kiss
both of us are wanting more

it's in your eyes
all the reasons why
I could'nt walk away if I tried
these words can't be disguised
for all this time
i'v been waiting for the look
you giving me tonight
and now i'm blinded by the love
that's in your eyes

nobody knows (nobody knows)
nobody knows

what's gonna happen
tomorrow
lets make it last

it's in your eyes

it's in your eyes
all the reasons why
I could'nt walk away if I tried
these words can't be disguised
for all this time
i've been waiting for the look
you giving me tonight
and now i'm blinded by the love
that's in your eyes

and now i'm blinded by the love
that's in your eyes
in your eyes
