When ever i hear goodbyes
(remind me, baby of you)
I break down and cry
(next time i'll be true, yea)
Fever for lost romance
(remind me baby, of you)
I took a crazy chance
(next time i'll be true
i'll be true, i'll be true)

Footsteps on the dance floor
(remind me baby of you)
Teardrops in my eyes
(next time i'll be true, yea)
Whispers in the powder rooms
(she cries on every tune,
every tune, every tune)

and the music don't feel like it did
when i felt it with you
Nothing that i do or feel ever feels like i felt it with you

(RAPPING)

foot steps left to right
foot, foot steps left to right
foot, foot steps left to right
foot, foot steps left to right
now i can scream of sanity
but it wont bring back no memory
my music seems like a distant friend to me
and my music is how you'll remember me

telling me don't cry again
maybe one day we'll try again
one day you might be mine again
but until that day bye-bye my friend

(RAPPING)

tears of a clown running down your face
dancing feet on, that's your place
it's where you belong your style and grace
cause now im gone without a trace

Im hurting deep inside
(she cries on every tune)
I break down and cry
(she cries on every tune,
every tune, every tune)

Footsteps on the dancefloor
(remind me baby of you)
Teardrops in my eyes
(next time i'll be true)
Whispers in the powder rooms
(she cries on every tune,
every tune, every tune)

Oh the music don't feel like it did when i felt it with you
(teardrops)
nothing that i do or feel ever feels like i felt it with you

Oh the music don't feel like it did when i felt it with you
(teardrops)
nothing that i do or feel ever feels like i felt it with you

(teardrops.....)
